

FOOTPATHS OF THE HOLY MOUNTAIN

FROM KARYES TO IVIRON VIA KOUTLOUMOUSIOU

Distance: 4.9 km; Journey Time 1 ½ - 2 hours
(5.5 km with detour to *Kellion Panagouda*)

© The Friends of Mount Athos, 2007 – 2016. All rights reserved. – Version 1.4

This route descends from 350m to sea level. Apart from a possible detour, almost the entire route is along a fine, broad *kalderimi* path which for much of the way follows the course of a river, initially on the right bank, latterly on the left bank. The route is through trees until the valley broadens to give views of *Mount Athos*, *Iviron* and the sea. It is possible to make a short detour to visit *Kellion Panagouda*, the former home of Elder Paisios.

Note: All distances given (in metres) should be taken as approximate. The numbers shown in the form **1** are Waypoints to be found in associated GPS tracking. The route described is liable to unpredictable change: for example, forestry work, road or track construction and plant growth may alter the route, or its appearance. Signposts may disappear or new ones appear. The Friends of Mount Athos strives to keep this description correct and up to date but cannot take responsibility for its accuracy.
