

FOOTPATHS OF THE HOLY MOUNTAIN

FROM ZOGRAPHOU TO VATOPEDI VIA CHERA

Distance: 6.6 km Journey Time: 2½ hours

© The Friends of Mount Athos, 2007 – 2018. All rights reserved. – Version 1.5

This walk goes deep into the heart of the Athos woods, far from any sign of human habitation. After leaving *Zographou* along a track, there is a sharp ascent by *kalderimi*, and then a more gentle ascent by forest tracks, to *Chera*. The route then descends by narrow paths through woods, with glimpses of *Vatopedi Monastery*.

Note: All distances given (in metres) should be taken as approximate. The numbers shown in the form **1** are Waypoints to be found in associated GPS tracking. The route described is liable to unpredictable change: for example, forestry work, road or track construction and plant growth may alter the route, or its appearance. Signposts may disappear or new ones appear. The Friends of Mount Athos strives to keep this description correct and up to date but cannot take responsibility for its accuracy.
